

The AHSC 60 R is a powerful, all-in-one climate control solution designed for demanding commercial and industrial applications. Delivering 60,000 BTU of capacity, it provides reliable cooling, heating, and dehumidification in a single, easy-to-deploy unit.

Engineered for flexibility, the AHSC 60 R is available in both 220V and 480V configurations, making it simple to integrate with existing power on job sites, facilities, or temporary setups. Whether you're stabilizing temperatures for sensitive equipment, keeping staff comfortable, or drying out a moisture-laden space, this unit handles it with consistent performance.

Technical Specifications

Cooling Capacity	60,000 BTU
Heating Capacity	60,000 BTU
Coverage Area	Up to 2,000 sq. ft.
Power Supply	220V (1-phase) / 480V (3-Phase), 60Hz
Circuit Breaker	15 A
Air Flow (CFM, H/L)	1,620
Operating Range	65°F - 113°F
NEMA Plug	Designed for hardwire
Dimensions	29.1" x 57.1 x 47.7"
Weight	550 lb
